Something blows the  
air on campus.  
Moves the eternal  
flame sweeps past  
University  
in new letters  
and settles in our  
midst.

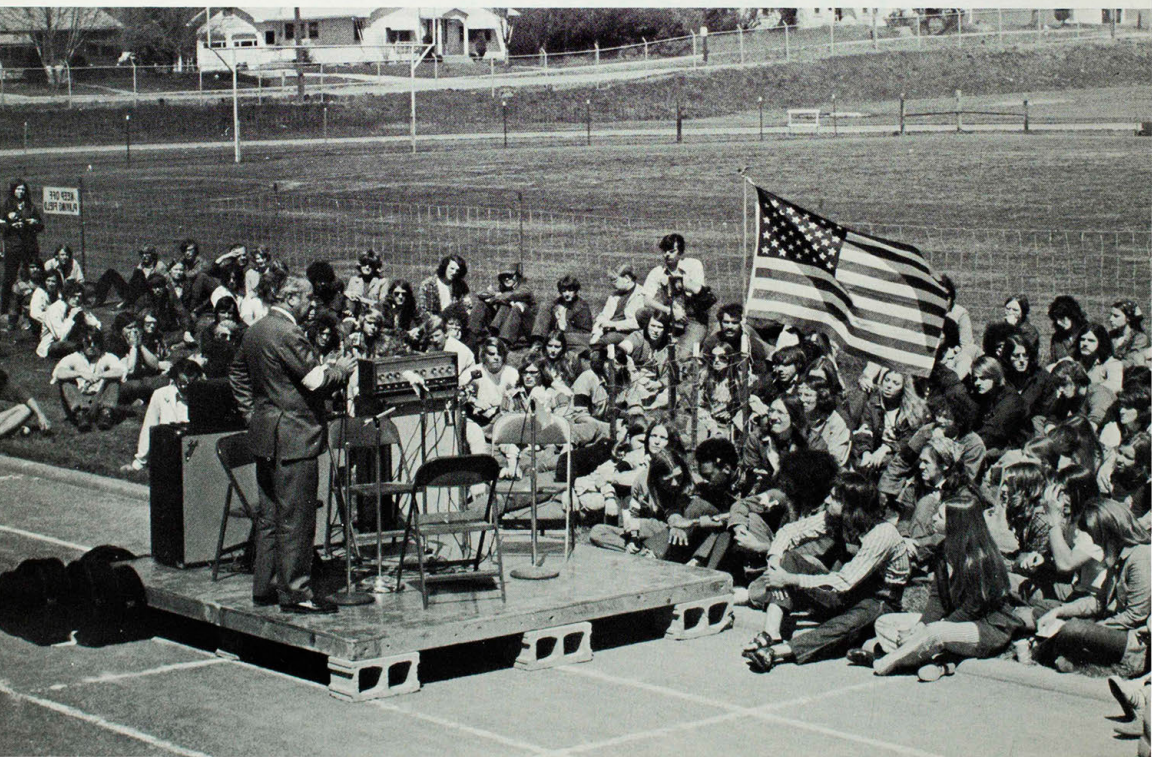

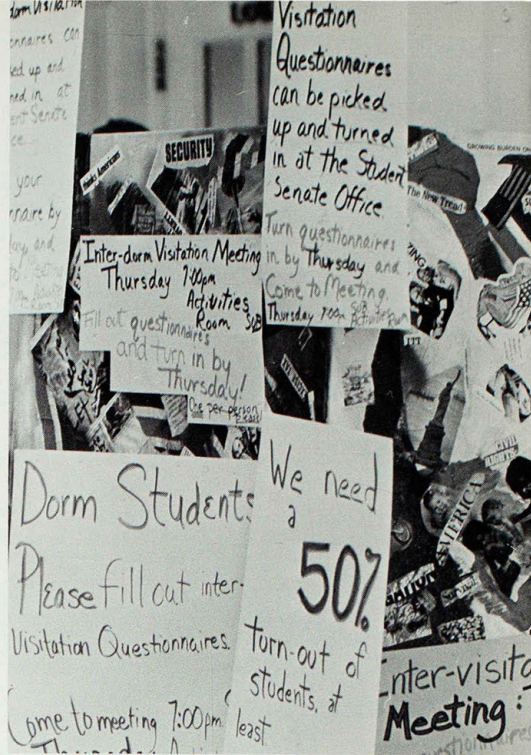

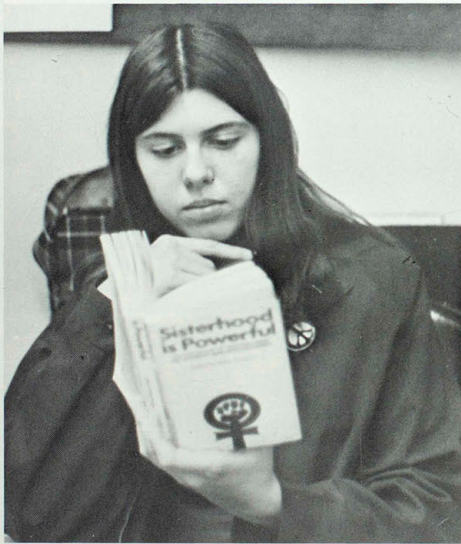

**this breath of living  
this spirit of change  
that is in us.**

Who said  
we couldn't change,  
that established ways  
are permanent?  
Who said so?  
Their mouths are silent.

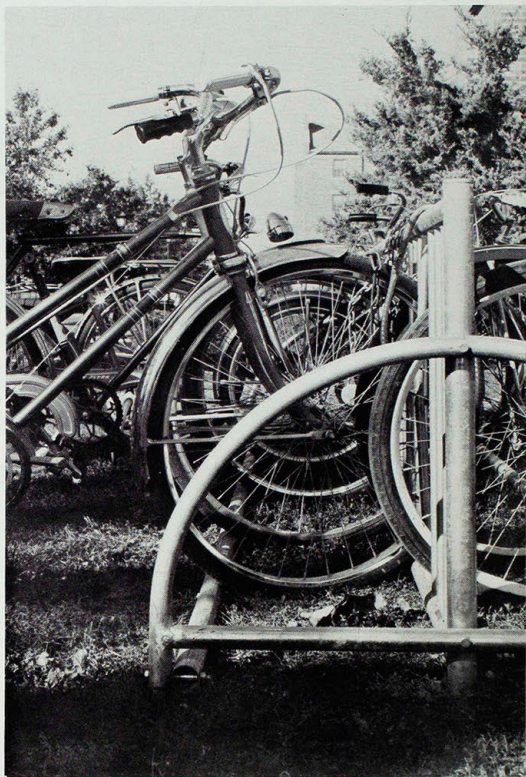

As buildings take new faces,  
 we cover the age  
 within new walls  
 and new buildings.  
 The campus changed  
 more room to grow.

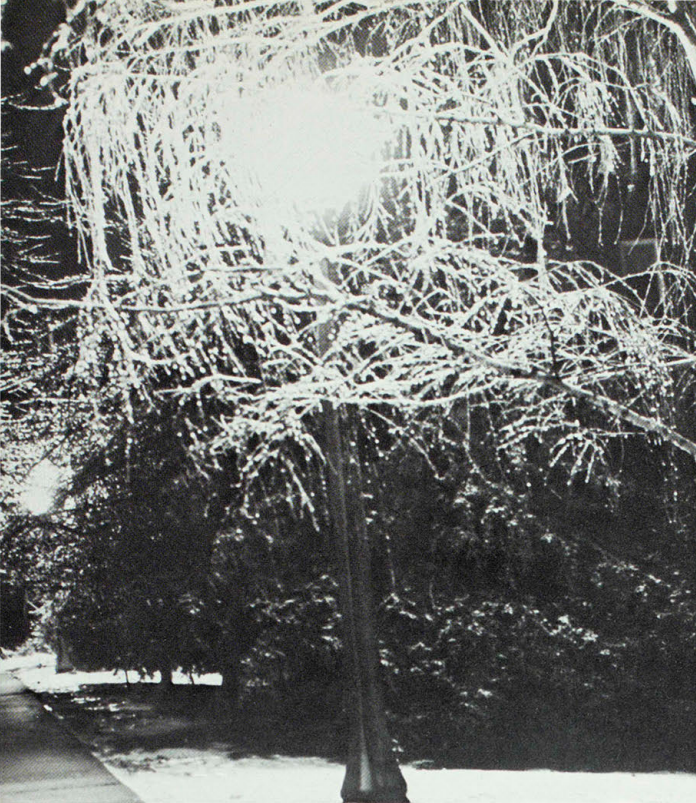

**Lights around all the  
buildings at night  
there are no dark sides now  
no corners,  
we are safe.**

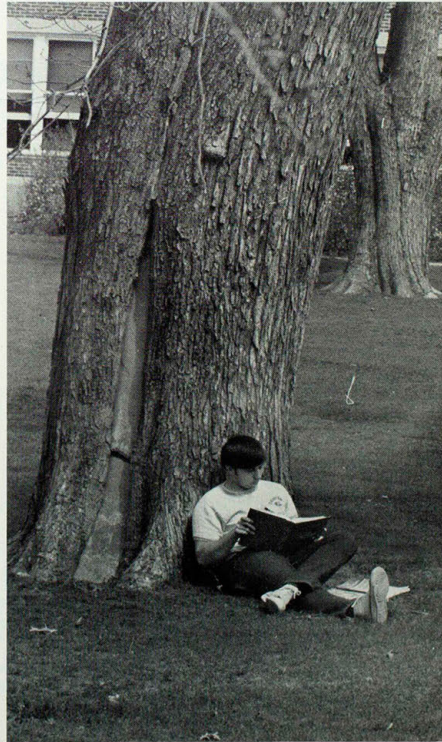

The leaves of older books,  
dusty, profound,  
where we met,  
to change,  
together,  
to become one mind.

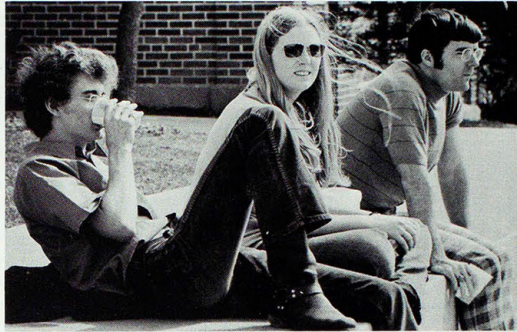

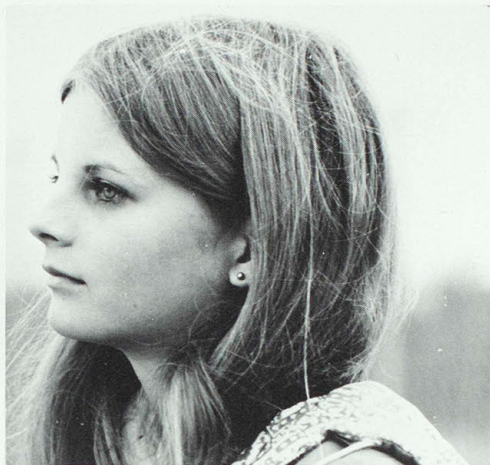

New trees  
 where old ones fail  
 trees for lovers  
 to twine together  
 lie under, and kiss;  
 leaves to braid our hair  
 light our eyes  
 and whisper old secrets  
 on misty nights.  
 Grass protected now,  
 green, staked, chained,  
 to grow in spring.

# Dean Campbell's Areas Increase Services

Improvements in administrative service to students and faculty with increased administrative efficiency to provide more tax dollars for instructional use were primary goals for Dean of Administration Charles C. Campbell. Dean Campbell's office coordinated eight administrative areas.

Registrar James Snider inaugurated a new pre-registration program with many activities handled by mail to eliminate the long lines and tedium characterizing past registrations. Transcripts were furnished alumni at no charge.

Jeff Jessee, director of data processing, and systems analyst Richard Ebbrecht coordinated the installation and campus-wide use of third generation computer equipment. A joint faculty-administrative committee chaired by Dean Campbell studied campus data processing needs for nearly a year. The acquisition of separate hardware for academic and administrative uses gave NMSU the first dual computer approach in Missouri according to state officials.

John Stanton became director of building services. Stanton's office coordinated all custodial building services on campus. The maintenance division working with Dean Campbell began a program of preventive maintenance to assure maximum efficiency of campus equipment and planned campus construction and remodeling.

The division of business service, led by Pete Nicoletti, moved back to its remodeled headquarters in December. The

remodeling enabled the business office to facilitate paper work and to improve services to students, faculty and staff. Kent Nickerson joined the office in June, 1972, as staff assistant.

The Student Union, directed by Kenneth Sykes, handled nearly 3,000 scheduled activities including over 1,200 student meetings. The Georgian Room was transformed into a dining facility designed to accommodate several luncheon and dinner meetings simultaneously. Food service, under the direction of Kenneth Short, served numerous banquets and receptions plus meals for 2,000 dormitory residents. Dormitory specialty nights, gourmet events and a pig roast for beginning freshmen were among activities planned.

The bookstore, managed by Harry Baldwin, was remodeled by realigning the aisles to permit self service in most departments. A machine to imprint book covers and soft goods was a new service of the store.

Safety and security director Leslie Greiner revised parking lot assignments to give nearly all campus motorists a parking place near classes and offices. The department added women to the staff and began the mounted patrol. Through the honor guard law enforcement students assisted security officers and provided road service to campus motorists. Lock control, student/faculty "ID" card services and the campus switchboard were supervised by Greiner's department.

# Ritter Becomes Dean Of Student Affairs

James R. Ritter became dean of student affairs in July following the retirement of Dean Henry Boucher. Dean Ritter oversaw the operations of eight areas: admissions, counseling and testing, director of student activities, financial aids, freshman counseling, health office, housing and the international students office.

Fontaine Piper became assistant to the dean while Zel Eaton divided his time as administrative assistant to Dean Ritter and as a special assistant in the department of safety and security. Emil Green became director of freshman enrollment after counseling and testing became part of the student affairs division. Terry Taylor became acting director of admissions. New student affairs personnel were: Terry Acton, laboratory technician; Anita Hairston, pharmaceutical nurse; Jacquelyn Jones, housing staff assistant; Perry Mathes, admissions staff assistant; Barbara Walker, registered nurse.

The admissions office developed a newsletter describing campus programs, activities and future plans that was sent to high school counselors and teachers. The office remained open on Saturdays to serve prospective students unable to visit NMSU during the week. The office organized student ambassadors—a group of campus hostesses who represented NMSU on campus tours and other admissions office activities.

The Freshman Counseling office became part of Counseling and Testing services, thus consolidating NMSU counseling services. Peer counseling plans were finalized. Five

freshman counselors and two professional psychologists worked with Dr. Robert Wright and Emil Green, director of Freshman Enrollment.

Deborah Stahly, director of student activities, served as assistant to the dean and scheduled all student activities. New services of Mrs. Stahly's office were dial-an-activity and coordinating a coffee house and dances at the Student Union at no cost to students.

Director of Financial Aids, Wayne Newman, and Doyle Van Dyne, his assistant, administered student loans, scholarships, the work study program and a mini-employment service to assist students seeking off-campus employment. The office administered Federal nursing scholarships and loans as a new service.

Housing office functions included the assignment of dormitory rooms and married students' apartments. The office was reorganized during the summer of 1972 with Jacquelyn Jones becoming staff assistant. Frances McKinney assisted international students with scheduling, advising and day-to-day problems. International House was opened after fall semester to provide facilities for cooking and other activities during NMSU vacations.

The health office, directed by Dr. John Biggerstaff, began laboratory tests spring semester. Other services included medical treatment, minor surgery and immunizations.

# McKinney, PR Division Head, Dies Unexpectedly

Colonel Robert L. McKinney, head of the Public Relations division, died unexpectedly January 29 at Jefferson City while on University business. Colonel McKinney's death came only a few weeks before one of his chief goals for 1972-73 materialized—consolidation of all public relations offices, formerly in three campus buildings, at a centralized location in the old Industrial Arts building.

Wayne Davenport became director of publications and William Cable directed sports information. Numerous publications were revised, mailings were doubled and "tract racks" were placed at various locations to disseminate NMSU literature.

The Alumni office, directed by Russell Harrison, established a development fund, maintained records on 20,000 graduates and published the NEMOSCOPE quarterly. Staff assistant Thomas Shrout advised the INDEX, the student newspaper, in addition to his divisional responsibilities with information services.

The division continued with "Hot Line," a recording device hooked to an outside telephone line to enable students and faculty to inquire about campus news at any hour. The development fund was announced at the Homecoming banquet, and Mr. and Mrs. Wayne Fuller were recognized for their \$25,000 gift to begin the fund.

## Upward Bound Counsels Area High School Seniors

"Upward Bound, a university preparatory program for high school seniors, was administered by Basil Morlan and his assistant Michael Hughes.

The program consisted of a summer of academic and personal development on campus and an academic year component of biweekly meetings at student centers throughout Northeast Missouri.

Upward Bound contributed financial aid, guidance and remedial study to high school students from low-income homes who may have lacked adequate preparation for college-level study. The program sought to identify students whose ability may have been unrecognized in a typical classroom setting. Instructors and tutor-counselors were selected from the faculty and student body based on their willingness to pursue teaching innovations and their ability to identify with Upward Bound students.

# Three Deans, 4 Professors Become Emeriti

President Emeritus Walter H. Ryle's book, *"The Centennial History of the Northeast Missouri State Teachers College"* was being printed during spring semester, 1973. A two-year certificate program for medical secretaries was added to the curriculum of the division of Business Education. Courses were also offered leading to degrees in business education, business administration and accounting and certificates in accounting, data processing, secretarial and clerical programs.

Certificate programs are offered for students who desire a one or two year course of study for positions in fields where there are shortages of skilled personnel. Students enrolled in the division increased about 10 per cent over 1971-72.

New faculty members were Thomas Luechtefeld, instructor in accounting, and Gene Wunder, instructor in business administration. Associate professor Joseph Mitch furthered his doctoral studies at the University of Missouri-Columbia.

Organizations sponsored by the division were Accounting Club, Business Administration Club and Pi Omega Pi—a national fraternity for Business Education majors founded at NMSU. Dr. Charles Kauzlarich completed his nineteenth year as head of the division.

# Richardson Becomes Education Division Head

Dr. Gordon Richardson became head of the division of Education in August. Dr. Richardson was director of School Administration at the University of North Dakota before joining the NMSU faculty.

Pre-student teaching experience was started for juniors to enable them to self-evaluate their teaching potential. Students served as teacher aids in their home towns during NMSU vacations to gain the pre-student teaching experience.

The course, Foundations of American Education, was revised and team taught by six professors with expertise in nine distinct areas of teacher training. Students selected seven of the nine areas to complete the course. Formerly the course was taught in several sections, but with each faculty member involved teaching all areas of the course.

Plans were begun to mobilize equipment and staff in the Teaching Skills Center to bring the center's services to experienced teachers in northeast Missouri. Numerous teachers with graduate degrees had expressed a desire to take the courses in micro-teaching to evaluate their skills.

Dr. Robert Martin joined the division as assistant professor of education. He replaced Professor Grace McReynolds who joined the staff of the State Department of Education. Professor R.L. Terry was presented the Outstanding Educator award for the state of Missouri by Phi Delta Kappa and Professor Judson Martin was named to *Who's Who in America*.

# Home Ec Adds To Foods, Nutrition Area

The Home Economics division began certificate programs of occupational management in the foods and nutrition area which trained students to manage eating establishments. The new programs under the direction of Mary Lou Smith complemented the certificate programs in child development and the baccalaureate degrees in homemaking and vocational home economics offered by the division.

Four new majors were in the planning stage which would utilize courses currently offered by the Home Economics division and other academic divisions at NMSU. Majors under consideration were Home Economics Communication, Clothing and Textile Retailing, Child Development and Consumer Management.

The division sponsored Kappa Omicron Phi and Colhecon. Joyce Hearn, Colhecon sponsor, was a Missouri delegate to the American Home Economics Association Meeting. Kappa Omicron Phi's sponsor, Dr. Charlotte Revelle, attended the International Home Economics Meeting. Rose Shanight was elected president of the Missouri Home Economics Association, and Geraldine Gosch participated in a workshop entitled "Clothing Controversy" at the University of Manitoba.

# Computer Terminals Assist In Math Division

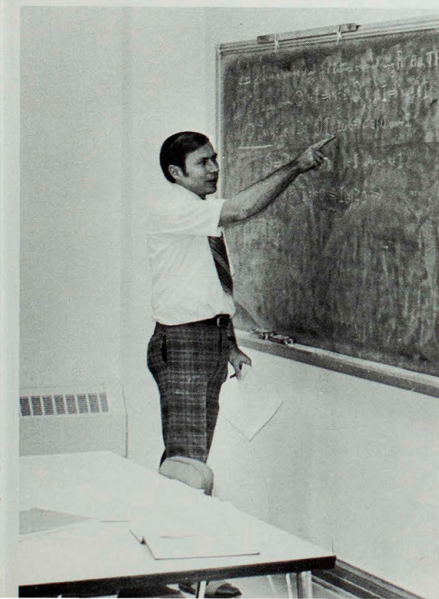

Computer terminals were installed in the division of Mathematics that connected to the new computer at the Data Processing Center on a time-sharing basis with terminals in other divisions. A teaching-examination tutorial program for certain freshman courses and courses in statistics for the social sciences and statistical methods were among other division innovations.

It was a first for the division when assistant professors Ronald Knight and James Hays presented research papers before the American Mathematical Society. Dr. Knight's paper was entitled "Periodic Dynamical Systems" and Dr. Hays' paper was "Reductions of Ideals in Commutative Rings."

Associate professor Kenneth Stilwell's article, "Quadratic Formula—an Enrichment Approach," was published in *Mathematics Teacher* while Dr. Hays' paper was printed in *Transactions of the American Mathematic Society*. An article written by Dr. Knight was published in the *Pacific Journal of Mathematics*. Assistant professor John Erhart authored "Lyapunov Theory and Perturbations of Differential Equations," for the *SIAM Journal of Mathematic Analysis*.

Assistant professor Duane Norman was on leave, and assistant professor William Weber completed his doctoral studies and returned to the division spring semester.

Organizations sponsored were the Math Club and Kappa Mu Epsilon. The division assisted the National Council of Teachers of Mathematics, Missouri Council of Teachers of Mathematics and Northeast Missouri Council of Teachers of Mathematics in sponsoring a regional conference.

# Military Science To Become Voluntary

Military Science is to be on a voluntary basis in 1973-74 as a result of a resolution adopted by the Board of Regents in October. The program began on campus Fall semester, 1969, and was mandatory for male freshmen.

Sixty-two graduates who enrolled for advanced courses in military science have been commissioned second lieutenants with another 40 scheduled for commissioning at spring graduation.

The division sponsors ROTC Advanced Cadets Association (Cactors), K-dettes, Blackjack Rifle and Pistol Club, ROTC Drill Team and Varsity and ROTC Rifle Teams.

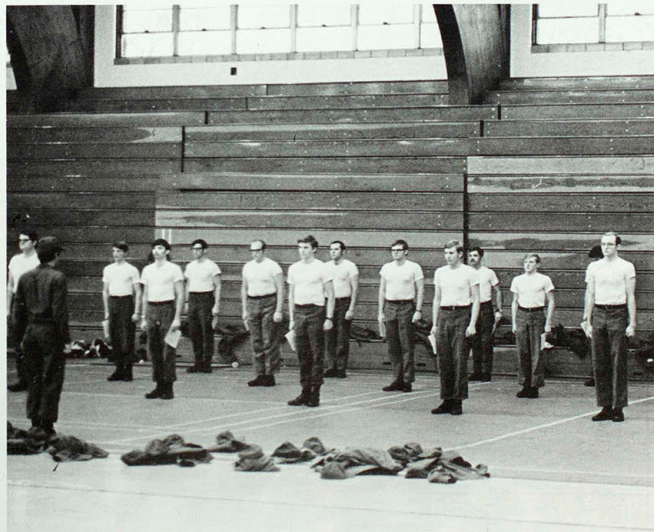

Captain John Strain attended the basic ROTC summer camp at Fort Knox, Kentucky. Lieutenant Colonel Emmett Taylor, Major Donald Currie, Captain Clyde Johnson, Captain Robert Wrentmore, Master Sergeant Thurmon Childers, Sergeant First Class William Johnson, Staff Sergeant Robert Beery and Staff Sergeant Archie Gray represented the division at the advanced ROTC summer camp at Fort Riley, Kansas.

# Nursing Division Relocates In Science Hall

The division of Nursing was relocated on the ground floor of Science hall. With the relocation, specialized equipment and facilities of the divisions of Science and Nursing were utilized for instruction of students in both divisions.

New instructors for the growing division were Madeline Holland, Andrea Smith and Louise Montgomery. The division's 104 students more than doubled the enrollment of the previous nursing curriculum which was phased out in 1971-72.

The new curriculum was streamlined to permit nursing majors to take more electives in other disciplines. Because the curriculum was community oriented, students worked with families in the northeast Missouri area to gain understanding of health needs at different age levels.

The course of study was designed to generate awareness of other professions in the health field and their working

relationship with nursing. Courses were geared toward preparing nurses for roles in health maintenance and restoration in addition to patient care.

Students are prepared for beginning leadership positions in nursing—acute care, community health nursing, and new occupational nursing opportunities. The baccalaureate program also prepares those planning for graduate study.

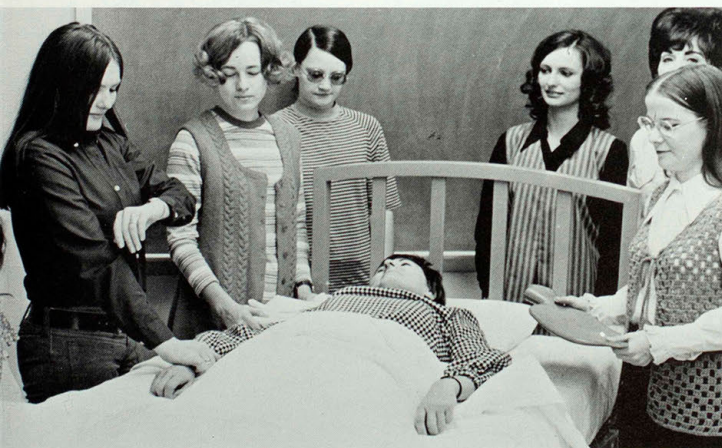

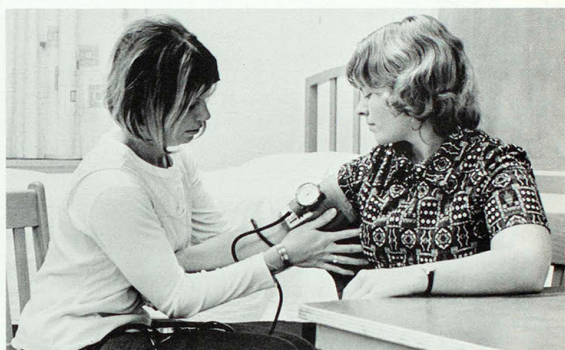

Freshmen seminars give students career orientation and counseling enabling them to finalize their major plans before they are upperclassmen.

The Student Nurses Association was re-activated in the Fall and members met with the Missouri Student Nurse Association board. The National League of Nursing held a site visit at NMSU in November to evaluate the new program as a preliminary step toward accreditation.

## Practical Arts Division Begins Four Programs

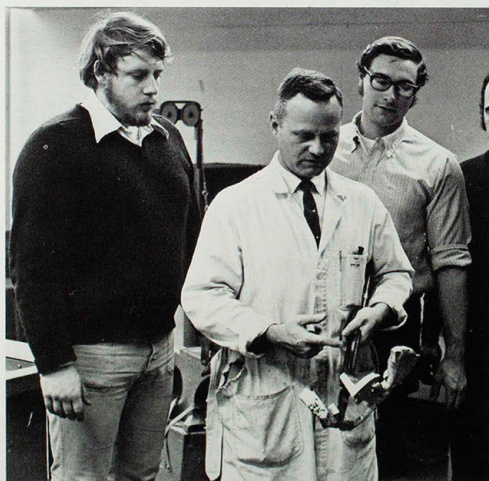

New certificate programs in agronomy, animal science, electronics and metal trades were added to the curriculum offered by the division of Practical Arts. Certificate programs were provided for students desiring intensified post-secondary training for two years to qualify for immediate employment in industry and agriculture.

The new certificate programs increased the division's offerings in career education to seven areas. In addition to career education, the division offered baccalaureate degrees and the master's degree in industrial education. The division has three distinct areas of study: agriculture, driver and safety education and industrial education.

Organizations sponsored by the division were: Agriculture Club, Driver and Safety Education Club and the Industrial Arts Club. Alpha Gamma Rho fraternity worked closely with the division's agriculture department.

Programs in the planning stage included bachelor of technology degree, courses in manufacturing and construction, a major to prepare industrial-vocational-technical teachers and an internship in industrial education.

A circle drive was completed in October at the Industrial Education building to alleviate parking problems and traffic congestion.

# Federal Grants Provide Science Equipment

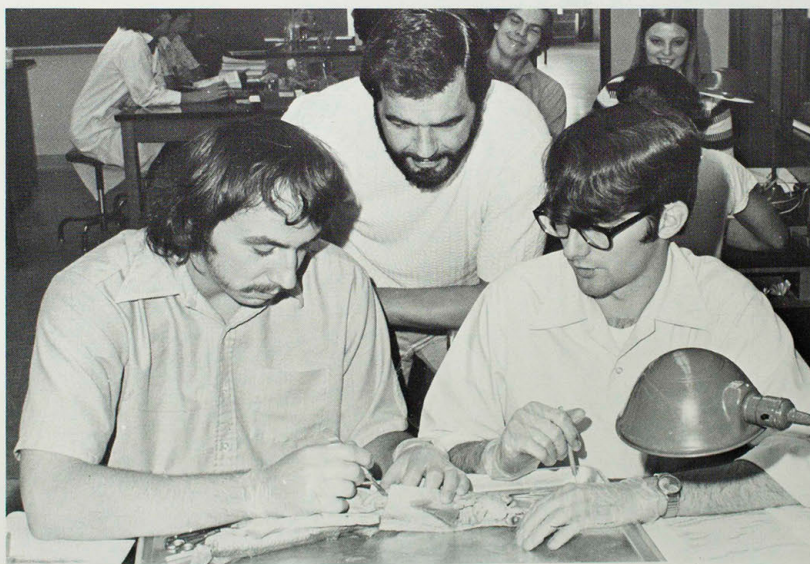

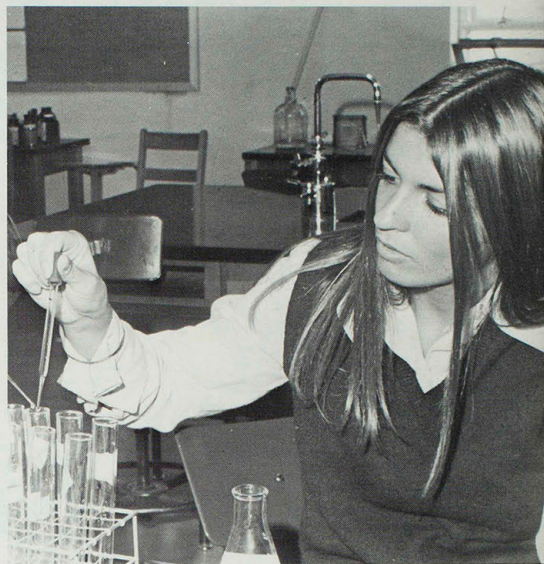

Recent equipment acquisitions were used by the division of Science, led by Dr. Dean Roseberry, to aid instruction. Through federal grants, equipment was received for use in physiology, chemistry and ecology. Teletype terminals connected to the academic computer at the Data Processing Center were used by students in freshman biology and chemistry.

New programs in environmental science and ecology were in the planning stage. Freshman courses were modified to the inquiry method of teaching.

New members of the division were Jeanne Kangas, instructor in general science, and assistant professors of chemistry Dr. Kenneth Fountain and Dr. James Wells. Assistant professor Melvin Conrad was on leave studying Central American plant life.

Assistant professor David Hanks researched sage brush of Utah, and assistant professor Donald Kangas prepared for a study of life in Arctic waters. Professor Max Bell along with other division members and advanced students spent two weeks studying semi-tropical biological forms in Florida during semester break.

The division prepares students for careers in teaching, environmental employment and chemistry. Preparation is given for entrance into professional schools of biology, chemistry, dentistry, engineering, medicine and osteopathy.

# Social Science Begins Internship Programs

Internship programs were begun in the division of Social Science. Students interned in the summer or during the academic year in several disciplines offered by the division. Interns worked with legislators, law enforcement agencies, city, state and university administrators during the beginning year of the new program.

Interns received from one to 12 semester hours credit with an additional three hours credit for an analytical report of their training. A faculty committee selected applicants for available internships and assigned them to faculty supervisors.

# Special Programs Expands Clinical Space

Two classrooms in Violette Hall were renovated for laboratory-clinic space for the Division of Special Programs. One room housed special equipment for speech science, anatomy and physiology while the other room contained specialized equipment for speech and hearing disorders. The division, led by Dr. William Hall, secured federal funding for special education and speech pathology-audiology.

The division's speech and hearing clinic conducted evaluations for head start and Mary Immaculate School and therapy sessions when recommended. Five learning disabilities classrooms in the Kirksville public school system received language, speech and hearing services from the clinic. The division's remedial reading clinic was located on the third floor of Kirk Building.

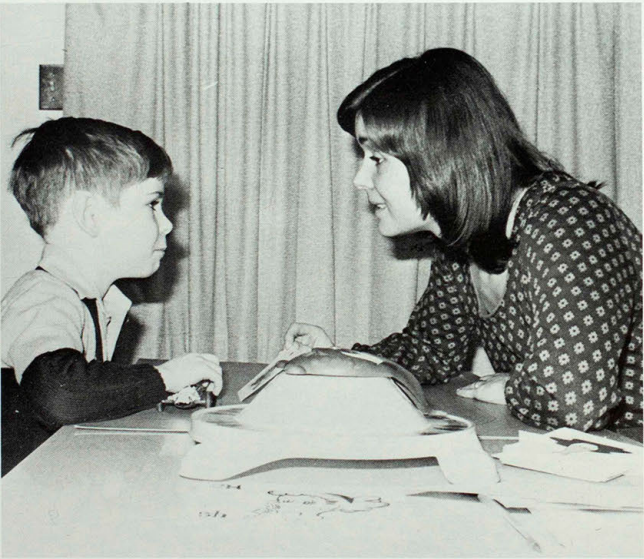

Professor Jeffrey Mitchell was on sabbatical leave and wrote a book on special education. His classes were taught by Velma Morton who was an instructional supervisor and consultant for the mentally handicapped at Samuel A. Kirk Center before joining the NMSU faculty in Fall, 1972.

Five new practicum sites were established for special education and speech pathology-audiology. The division developed new language programs directed toward providing necessary linguistic tools in special sessions at the Regional Diagnostic Clinic, the Adair County Center for Exceptional Children and the NMSU Child Development Center.

# Baseball Title Chances Vanish with Final Game

Chances for an MIAA baseball title vanished in the season finale. The loss of a doubleheader to Rolla, 6-5 and 9-6, left the Rolla Miners a game and a half ahead of the Bulldogs. Although a split in the doubleheader would have given the Bulldogs the title, NMSU was unable to hold a four run lead in both contests.

The Bulldogs finished the Spring 1972 baseball season 14-9. Weather and schedule conflicts cancelled 12 encounters. A hitting slack was bolstered by a .952 field average and a 3.16 earned run average to carry the team throughout the MIAA title chase.

Overall team hitting was .254, down from the .301 team batting average the previous year. The nine season triples set a new team batting record.

The Bulldogs dropped two games in extra innings to Southwest Missouri State. They propelled themselves into league title contention by taking doubleheaders from Central Missouri State, Northwest Missouri State and Southwest Missouri State.

Eight errors led to setbacks to William Penn and Quincy College. Dave Wehmeister, whose 18 strikeouts and 370 foot blast carried the Bulldogs to a 2-0 11 inning victory over Lincoln, was named the Most Valuable Player of the MIAA. The season ended with a victory over Parsons College—the first victory over Parsons in seven games.

## Bulldogs Finish Second in MIAA Competition

# Golf Team Earns MIAA Runner-up Honors

Consistency was the key for the five returning golf lettermen and five newcomers as they finished a close second at the MIAA 36 hole conference meet. Only seven strokes separated the home team Southwest Missouri State and the Bulldogs at the close of the two day affair.

The Purple and White placed three men in the top eight. Randy Miller tied for runnerup honors with a 144 score while Bill Daniels blazed to a 146 and was deadlocked for fourth place, and Chuck Hull fired 149 to tie for eighth place. Marty Herington chipped in with 152, Gerald Burkhalter shot 156, and Roger Utley carded 165 to complete the NMSU total of 747.

In their opening encounter, the linkmen registered a score of 1490 to finish among the top twenty teams at the Miami University invitational. A balanced attack brought back-to-back conquests over Culver-Stockton followed by a

strong performance at the Missouri Southern Tourney as the Bulldogs bested all other MIAA schools to come in tenth.

Double victories followed over Lincoln and Quincy, but narrow setbacks came at the hands of Southern Illinois and Western Illinois. Decisive margins carried the Bulldogs over Westminster and Chicago Loyola as they entered the MIAA conference meet with an 8-3 dual mark.

Chuck Hull wrapped up his college golf career with a 9-2 dual campaign, totaling 20 points while posting a 77 average. Bill Daniels sported a 76 to garner 18 points, An 8-1-2 dual season and a 78 average was carded by Randy Miller as he ran up 20½ points. Sophomore Marty Herington tallied 15½ points with an 80 stroke average and a 6-2-1 mark. An 81 average was posted by Roger Utley; Gerald Burkhalter came in with an 82; Bob Ketchum was next at 84; Tom Roberts carried an 85 average.

GOLF TEAM: Coach Ben Pitney, Chuck Hull, Roger Utley, Marty Herington, Bill Daniels, Bob Ketchum, Randy Miller.

# Track Team Captures Twelfth Conference

Outdoor trackmen captured their twelfth conference title in 14 years, outdistancing Lincoln University by 13 points. The conference title, a third place finish at the NCAA meet, and a near miss for an Olympic spot by Larry Jones highlighted the season.

Don Allbritton finished sixth in the decathlon at the Florida Relays, placed first in pole vault competition at the Eastern Illinois Relay by clearing 15', 1" and took seventh place in the decathlon at the Drake Relays. In the NCAA finals, Allbritton grabbed top honors in his specialty, the decathlon.

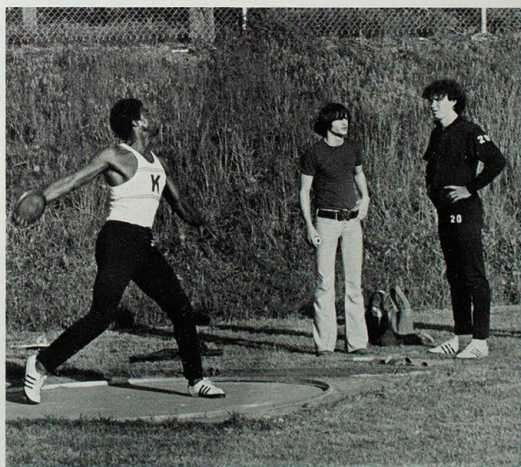

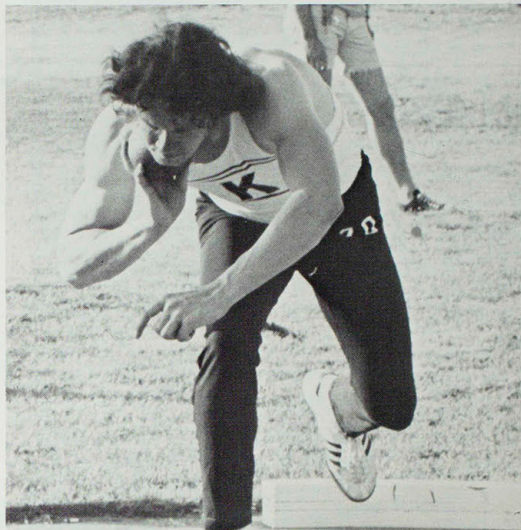

The Cindermen placed third at the NCAA meet by tallying 46 points. The mile relay of Jones, Rob Nelson, Wayne Ventling, and Bob Gonzales captured fifth place. Jones took the 400 meter competition in 45.8 seconds while Tom Geredine soared 50', 4 3/4" in the triple jump.

The conference victory at Springfield was preceded by an 87-58 conquest of the Northwest Missouri Bearcats. The other dual of the season was a Bulldog victory over Western Illinois. NMSU finished third at the triangular meet at Columbia. A new record was set by the mile relay team for the Eastern Illinois Relays.

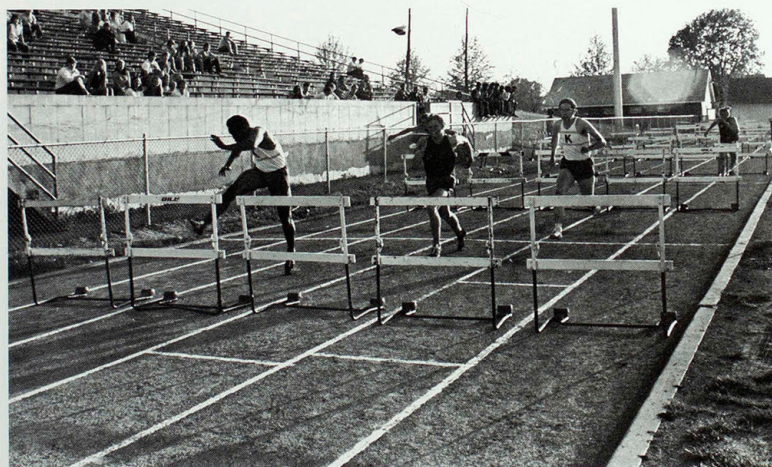

Three All-Americans brought home six gold medals at conference. Allbritton had first place honors in the high jump (6'8 1/2") and the pole vault (16' 1/2").

Jones won titles in the 220-yard dash (21.4) and the 440-yard dash (47.1). Geredine's leaps of 23' 5 1/2" and 48' 5 1/4" in the long jump and the triple jump put him on top of the competition.

In July, Jones was one of 32 hopefuls vying for three spots to represent the United States in 400 meter competition in the Olympics. Jones hit 45.7 in the semi-finals and finished ninth—six places short of a trip to Munich, Germany.

# CHAMPS

# Netmen Victorious in Ten of Final 11 Matches

Coach Fontaine Piper's tennis squad battled its way to ten victories in the last 11 duals to end the spring 1972 season with a 12-6 ledger. Three newcomers and four lettermen competed for top positions. The team placed first, second, and ninth, respectively, at the Titan (Wisconsin), NMSU and Oral Roberts Invitationals.

NMSU Netmen and Northwest Missouri State Bearcats fought to the wire at the MIAA Conference Meet held at Springfield. The numbered two and three doubles teams subdued the Northwest squad to share the co-championship with Northwest. All nine finals matched NMSU and Northwest. Steve Van (21-7), Dave Meyer (25-5) and Don Martin (19-10)

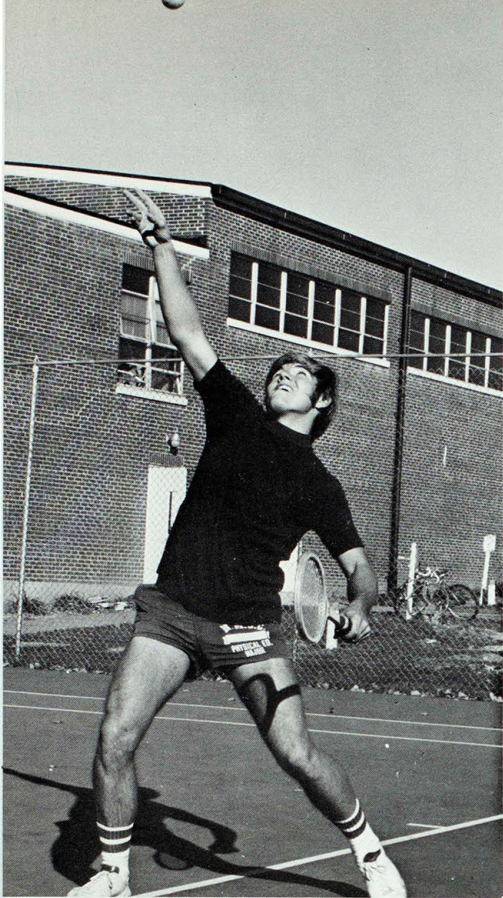

took top honors in singles competition. Ric Flach (14-14), Gary Randall (17-12) and Mike Terry (15-14) fell to their Bearcat opponents. After Vann-Martin (16-6 in doubles) lost at number one doubles, Flach-Randall (17-7) and Meyer-Melone (18-4) came through in the clutch to deadlock the teams at 39 points.

Six defeats in dual meets were offset with victories over Drake, Iowa State, Southern Illinois, Western Illinois and Northeastern Oklahoma State. The Bulldogs tied for ninth place with four points at the NCAA College Division Championship—ten places higher than the 1971 finish.

TENNIS TEAM: (front row) Mike Terry, Steve Vann, Gary Randall. (back row) Fred Melone, Dave Meyer, Ric Flach, Don Martin.

# Lipper Leads Cross Country Team to Victory

A freshman-dominated Bulldog contingent rebounded from early ups-and-downs to finish 4-3 in dual competition. In the final three weeks, led by junior Linley Lipper, NMSU captured the Central Missouri State Invitational, and placed second in the Southwest Missouri State Invitational. They up-ended Drake University (24-33), were nipped by Northwest (44-45) for the MIAA title, and came in sixteenth at the NCAA College Division meet.

Linley Lipper's four mile record of 20:53 paced Coach Gardner's squad to a 17-42 victory over Lincoln in their season opener. Against a veteran and balanced Augustana club, Lipper and Ron Harmon placed second and third, but the

Bulldogs fell, 23-37.

A double triumph prevailed over Westminster (23-33) and Southern Illinois University (19-39) in the final home outing to lift the dual mark to 3-1. Lipper's 25:03.5 time broke his 1971 record for five miles by 71 seconds. The Bulldogs dropped a squeaker to Western Illinois (26-29) and lost to Northwest (22-33) before beginning their success streak.

Lipper took top honors at conference with Ron Harmon, fourth; Otto Schnarr, eleventh; Greg Clauson, thirteenth; Joe Haake, sixteenth; Jay Skinner, twenty-first. Lipper won individual honors seven times, placed second twice and notched forty-third at the NCAA meet.

# Bulldogs With New Coach Finish Season 6-4-1

Under the direction of first year mentor Randal Lukehart, the Purple and White outscored their opponents 236 to 107, shutout four teams and compiled a 6-4-1 season record. Three of the four losses and the tie were in conference games, however, leaving the Bulldogs with a fourth place finish in the M.I.A.A.

Coach Lukehart came to NMSU in April, 1972, from South Shelby High School where his teams compiled a 47-7-1 record over five years. Lukehart was assisted by Russell Kirby, defensive coach, and Larry Clemens who directed the offensive line.

Implementing the Wing-T offensively and a small, but quick defensive unit, the team defeated Missouri Western 27-0. The Bulldog defense allowed only 78 yards in the air and held the Griffons to a minus eight yards on the ground.

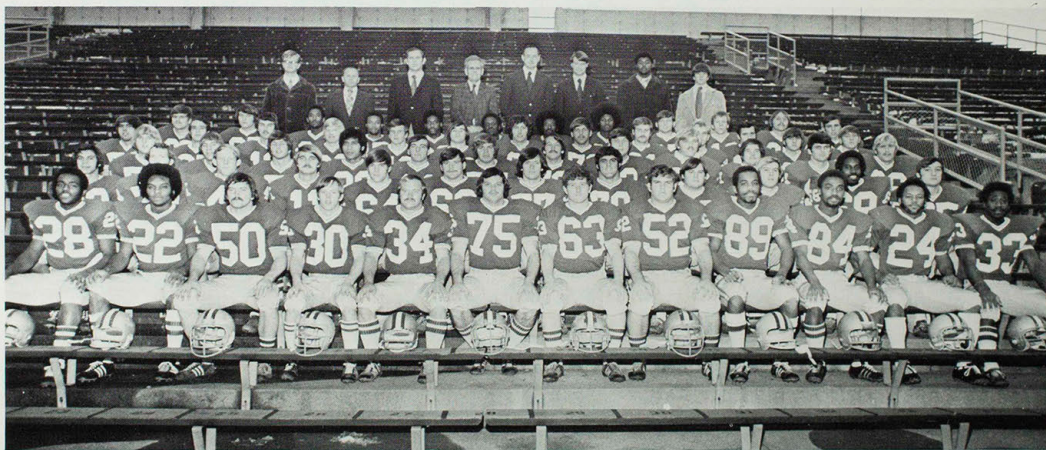

NMSU rolled over Central Methodist 42-0. Marv Robinson gained 86 yards on the ground, caught four passes for 77 yards and scored twice. Linebacker Harold James intercepted three enemy passes, and nose guard Warren Whitis recovered three Eagle fumbles.

Harding College defeated the Bulldogs 31-20 at Stokes

Stadium. The setback was the first in 9 games and in 13 home contests. John Scripsick booted 27 and 40-yard field goals by successfully kicking his 35th and 36th. Tom Geredine hauled in six passes for 137 yards.

Gaining revenge for the only loss of the 1971 campaign, the Purple Pack whitewashed State College of Arkansas 28-0. Geoff Engen, senior quarterback, hit on 9 of 20 passing attempts for 153 yards. The Bulldogs scored 21 of their 28 points in the second half described by Coach Lukehart as "The best 30 minutes of football we've played this year." A one yard plunge in the first minute of the fourth quarter. Elliott added the final tally.

The Bulldogs spoiled Wayne State's homecoming with a 44-0 triumph. The Purple and White tallied 27 points in the final quarter. Lenvil Elliott scored from the one-yard line, Tom Geredine brought in a six-yard pass for six, Bob Robinson scampered 11 yards to paydirt and Rodney O'Bryan picked off a Tartar pass and raced 37 yards to score. The Bulldogs completed 15 passes for 145 yards, and intercepted five passes.

# MIAA Victory, Tie Precede Homecoming Loss

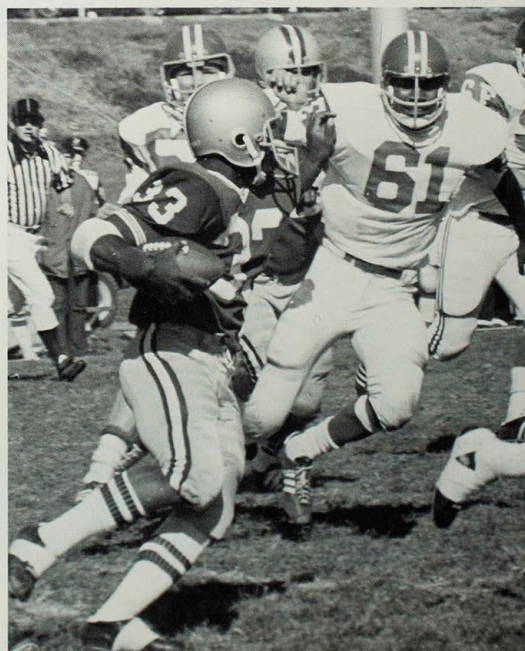

NMSU was victorious over pre-season favorite Southeast Missouri State 21-14. Nate Derrell's pass theft in the final 23 seconds halted a last minute threat by the Indians. Lenvil Elliott chalked up 196 yards in 20 carries and raced 76 yards for the winning touchdown. Craig O'Sadnick had 16 tackles and a fumble recovery and Tom Geredine topped Mike Berentes' standard for career pass yardage with 1,667 yards.

The Bulldogs were heavily favored to defeat the Central Missouri Mules, but the game ended in a 7-7 tie during the rain-drenched contest. Central's sole tally came on a punt return by Walter Rhone who later was voted the MIAA's most valuable player. The game was decided in the last play when the pigskin hit the crossbar and bounced back onto the field during a 50-yard field goal attempt by John Scripsick. All scoring came in the second quarter. NMSU scored on a fake field goal attempt as Geoff Engen fired a three yard scoring toss to Mike Scott. The Bulldog defense led by Al Fulton and Tom Roberts limited the Mules to 119 yards.

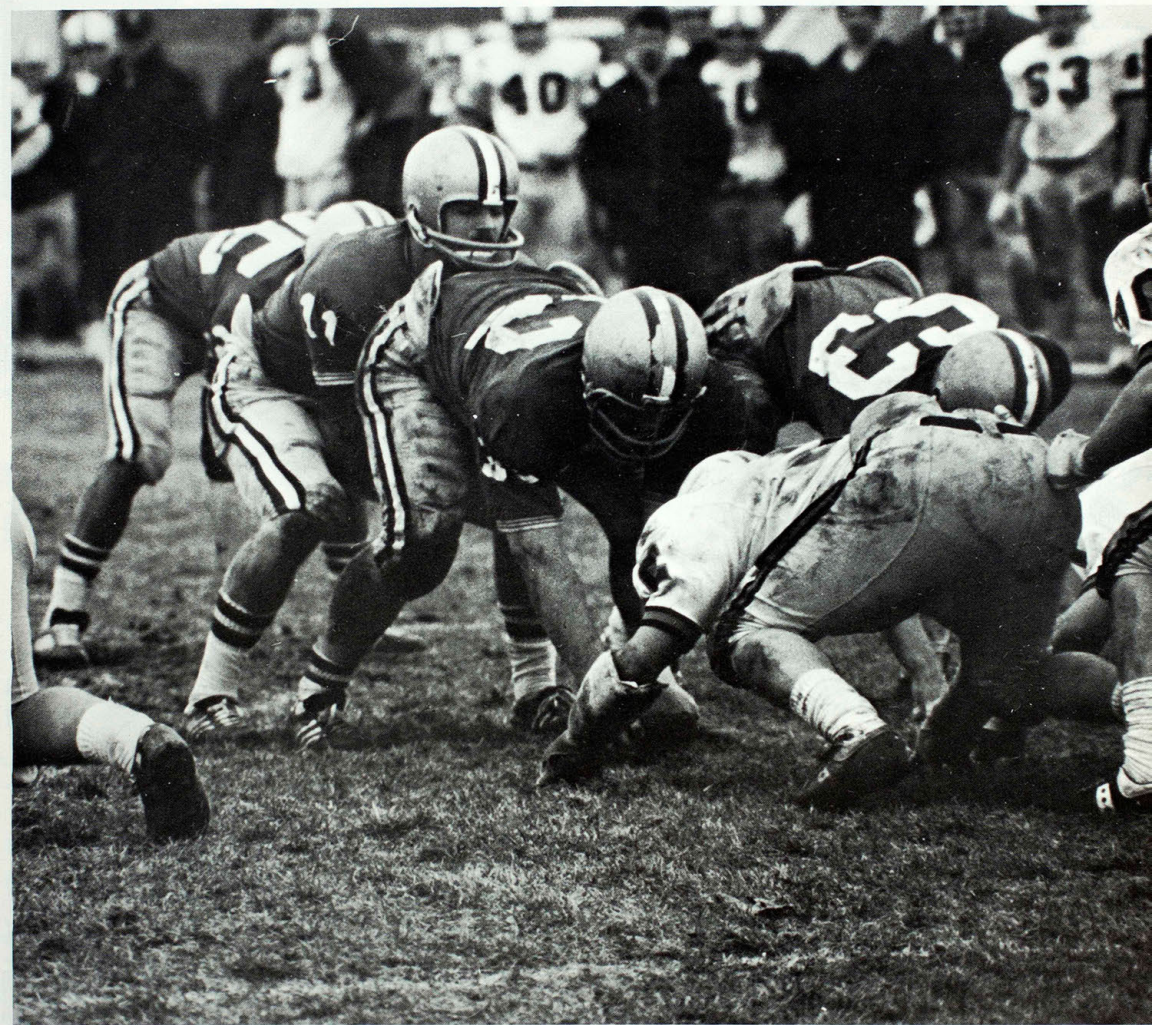

The Northwest Missouri Bearcats took possession of the hickory stick after defeating NMSU 10-0 at the Homecoming contest. Jim Albin of the Bearcats netted 196 yards and the only touchdown of the game. The Purple and White found the Bearcat defense unpenetrable; they were held to 12 yards rushing and hit on only 4 out of 22 passes. Despite giving up 321 yards, four passes were intercepted and Craig O'Sadnick and Dave Waterkotte totalled 25 tackles.

NMSU remained in contention for the MIAA title by defeating Southwest Missouri 20-7. Lenvil Elliott scored all three touchdowns with runs of 51, 48, and 41 yards. Three pass interceptions halted the Bears' threats and dampened Southwest's homecoming.

**CHEERLEADERS:** (front row) Joan Ferguson, Jean Waters, Debbie White, Sharon Wheeler, Melinda Booth, Julie Madsen. (back row) David Crawford, John Clemons, Doug Bachman, Paul Garnett, John Life, Dan Weillenwaber.

# Eight Seniors Earn All Conference Honors

Conference title hopes vanished after a 10-6 loss to Lincoln University. The Blue Tigers scored on a 30-yard field goal in the second period and led 10-0 at half-time with a 12-yard passing score minutes later. The Purple and White scored on a touchdown run by Lenvil Elliott in the final ten minutes of the game with the point after unsuccessful.

In the season finale, the 'Dogs were beaten 28-21 in Rolla's first victory over NMSU since 1955. Seven pass thefts and four fumble recoveries paved the way to a game lopsided in favor of the Bulldogs in every statistic but the score. The Miners scored a touchdown in the first quarter in nine plays, then a 21-yard pass from Tom Williamson to Tom Geredine in the end zone enabled the Purple and White to tie it at seven all. Another Miner tally put them ahead 14-7 at the half. Rolla put another seven on the board in the third quarter but two Bulldog touchdowns knotted the game at 21-21. Although Al Fulton recovered a fumble in the final 45 seconds, an NMSU pass was picked off and returned to the NMSU two yard line. A one-yard plunge by Rolla with 12 seconds left on the clock finished the game.

Eight of the fifteen Bulldogs who completed their last season of play earned All-Conference honors. Lenvil Elliott, Tom Geredine, Dale Gildehaus, and Al Fulton placed on first team while Randy Ball and Kevin Miller were on the second team. Nate Derrell and Steve Franklin were included on the honorable mention list. Al Fulton and Craig O'Sadnick were honorable mention for All-American honors. Lenvil Elliott was runnerup in the MIAA in scoring and rushing until an injury prevented him from playing in the season finale.

# Basketball Squad Completes Season 12-13

Despite capturing 9 of 12 home basketball contests, Coach Willard Sims' squad did not repeat home court experiences when on the road and finished the season 12-13 with a fifth place tie with Central Missouri State in the MIAA title race. Co-captain Lou Gregory totalled 364 points for the season and a four-year mark of 1049. Gregory had a 14.6 scoring average. He was joined by co-captains Mike Church and Jim Magruder in the quest for an MIAA title, but those hopes vanished when the season ended with two victories out of seven contests.

The campaign ended with a 14-point loss to Rockhurst College, but was followed with victories over Arkansas Tech, 97-58, and Eastern Illinois, 89-74. G. V. Saffarans pumped in 19 points in the Arkansas Tech game—the season home opener. A combination of Gregory's 19 points and Ron Mandarino's 10 assists led to Eastern Illinois' defeat. The 'Dogs lost a five-point lead against Quincy College in the

closing three minutes and the Hawks slipped by 65-64. A return engagement with Eastern Illinois resulted in the Bulldog's sole road trip victory.

An 85-74 loss to Missouri Western was turned into a Bulldog victory because the opponents had an ineligible player. Mike Church's 13 markers and Bobbie Brown's 13 points were instrumental in an 88-79 triumph over Central Methodist. The Red Raiders of Texas Tech hosted the Bulldogs. It was the first time the two teams had met on the court. Southern hospitality seemed to end as the contest started and the 'Dogs went to defeat 96-70.

Despite a 28 point performance by G. V. Saffarans, Northwest Missouri subdued the Bulldogs 85-72 in the opening round of the MIAA tournament at Springfield. Saffarans continued with his opening game performance as the 'Dogs defeated Southwest Baptist and Southeast Missouri State. Southwest Missouri State upended favored Lincoln University for the title.

Southeast Missouri State gained revenge for the tournament loss with an 80-71 victory, and the Rolla Miners nipped NMSU 78-75.

Bulldog victories resumed as Western Illinois and Lincoln University fell to Sims' squad. A second half spree by Southwest resulted in a Bulldog loss, but preceded victories over Central Missouri State and Northwest Missouri State. The Rolla Miners dealt the 'Dogs another defeat, but that loss was offset by a victory over Southeast Missouri State.

The Bulldogs ended the final home game victorious over Quincy College. Lincoln University stretched its home winning streak to 22 in a 106-82 victory over NMSU, and the Bearcats ended the season 2-1 with a 90-74 verdict.

Lee Smith led the Bulldogs in rebounding with 199, G. V. Saffarans was second in scoring with 302 while co-captain Gregory was lead scorer.

# Wrestlers Place Fifth At MIAA Meeting

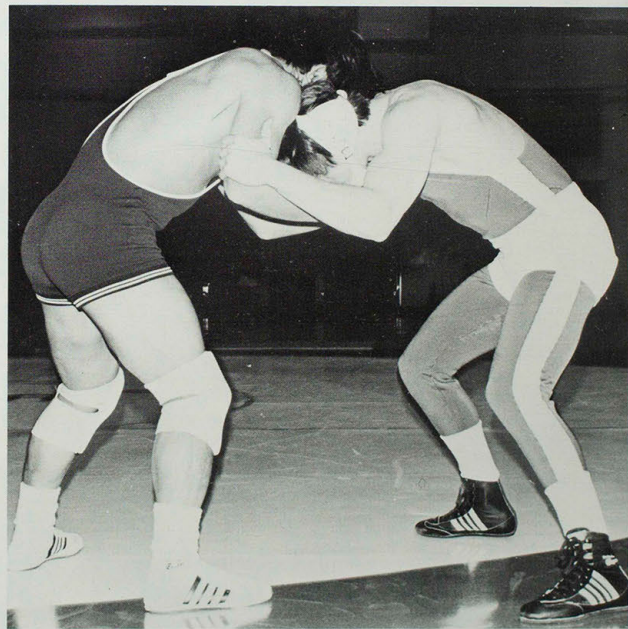

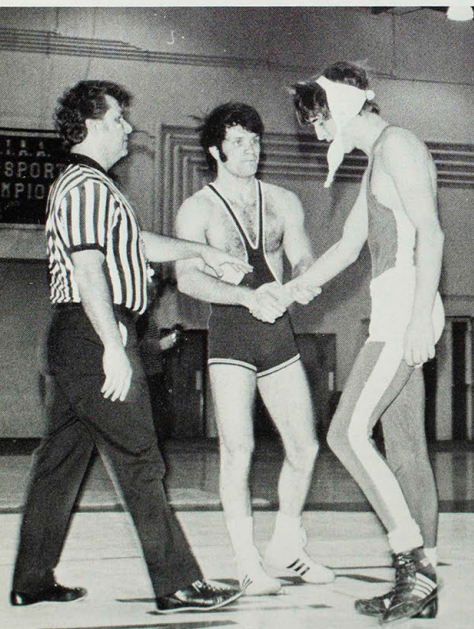

Senior co-captain Jay Gassman (23-8), a mainstay of the NMSU squad, won a 9-0 decision for third place honors at the MIAA conference meeting although the team placed fifth. Dave Peters dropped an 8-7 decision for third place while Ralph Creed placed fourth in a 9-3 loss. Glenn Dehart, who participated in the NCAA College Division Championships at South Dakota State University, bowed to Northwest's Kent Jorgensen, 17-1, for the 167 pound title. Jorgensen was selected as the most valuable player of the tournament; he had won in his weight class for the past three years at conference. Central Missouri set two records by crowning 7 individual champions and totaling 105½ points to outdistance Northwest's 90 points.

The young wrestling team opened its campaign at the All-American Tournament at St. Louis and won 13 of 27 matches. Gassman set a meet record with a 20 second pin against Rolla's Underhill and was runner-up at 126. Mike Burton finished fourth. Gassman, Dave Scott, Glenn Dehart, and Al Schneider won decisions against Parsons College despite a 22-15 setback.

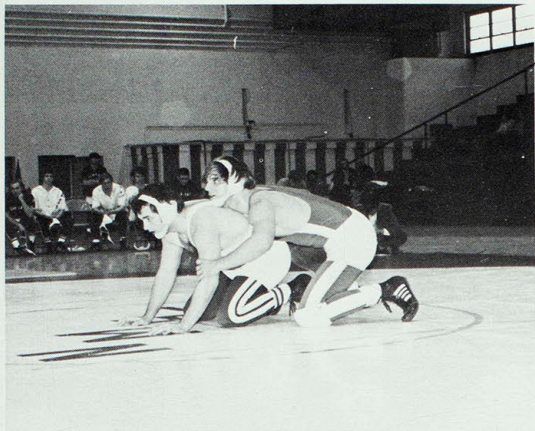

The Bulldogs nipped Meramec Community College 26-20 before being defeated by MacMurray College 26-16 and

University of Illinois 27-6. Northeast was third at the quadrangular at Illinois State University as Dave Peters, Scott, Dehart, and Schneider captured runner-up honors while Gassman won his match. The Purple and White closed out December with a 2-4 dual mark as they handled Graceland 30-12, after Morningside College had triumphed 33-15. In between a seventh and a tenth place finish at Northwest's and Southwest Missouri State University's Invitationals, Clemens' crew was trounced by "Athletes in Action" 38-14, Northwest Missouri State, 30-7, and University of Missouri (Columbia) 38-3. Top ranked Central defeated the 'Dogs 36-6 but NMSU retaliated by subduing Lincoln 42-9 winning five matches by forfeit. Gassman and Dehart notched double wins in the last two meets.

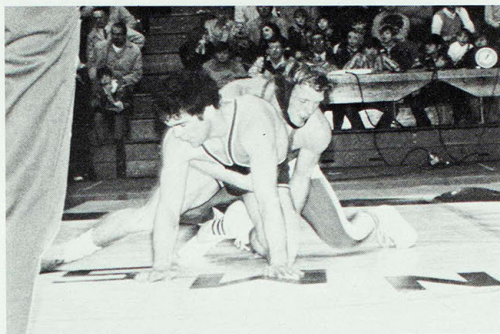

The number one ranked junior college, Northern Iowa Community College, showed its power taking 9 of 10 matches in a 41-3 thrashing. Again the Purple and White rebounded and topped Southwest 27-17 as Schneider came home with 10-8 and 11-4 decisions. In their home finale Southern Illinois University prevailed over NMSU 28-21. The University of Nebraska-Omaha handed the squad a 31-11 defeat and the Bulldogs finished 4-11 in duals for the season.

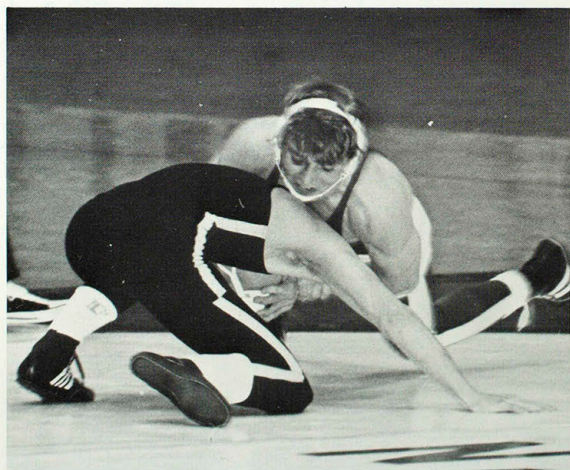

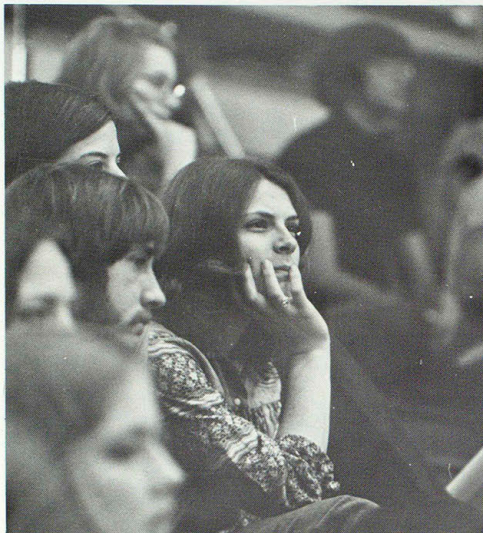

WRESTLING SQUAD: (front row) Mark Littrell, Jay Gassman, Louie Ligouri, Dave Peters, Dave Scott. (back row) Ralph Creed, Mike Burton, Glenn Dehart, Al Schneider, Dan Luckey, Coach Larry Clemens.

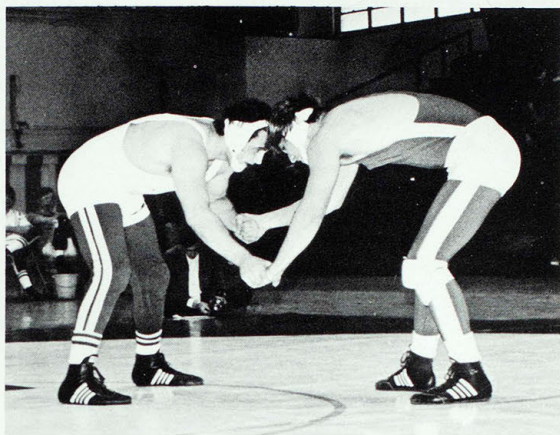

## Gassman Finishes 23-8; Third in MIAA

# Trackmen Earn 13th MIAA Indoor Title

For the 13th time in 15 years, Coach Kenneth Gardner's trackmen won the MIAA indoor conference title. NMSU accumulated 72½ points to Lincoln's 63 and Southeast's 40½. Three of the eight new records set were by the Bulldogs: Larry Jones' 49 second clocking in the 440 yard dash; Linley Lipper's 9:23.2 time in the two mile run; Tom Geredine's 47'5" leap in the triple jump.

Other first place finishes were Dennis Littrell's high jump mark of 6'6" and Lipper's mile timed in 4:15.9. Both the one and two-mile broke the old conference records but were second to Lincoln and Southeast quartets respectively. Seven other seconds, one fourth, and five fifths were instrumental for the 'Dogs to edge by the Lincoln Blue Tigers.

The indoor campaign opened at Des Moines in the Robert Karenes Invitational. NMSU placed in 12 of the 17 events but not higher than third including Geredine's long leap of 23'2¾". The University of Illinois won its six-team invitational with 88 points as the Bulldogs totalled 32 for fourth. Mike Frazier equalled his best pole vault of the season at 14' for one of two second place finishes; the other second place was Lipper's 4:13.6 mile run. Jones, Geredine and Lipper picked up thirds as did the mile relay team composed of Bob Gonzales, Wayne Ventling, Hardie Smith, and Larry Jones.

The Purple and White ventured twice to Iowa. Drake University swept by the squad 101-39, while the University of Iowa, NMSU and the University of Northern Iowa squared off in a triangular with the Hawkeyes winning with 74. NIU scored 53 and NMSU totalled 45. Jones raced to his fastest 440 and tied Iowa's Big Ten ace Dick Eisenlauer's time 48.8 but finished second. # Phi Sigma Epsilon Wins Intramural Trophy

The 1972 Spring Men's Intramural trophy was captured by Phi Sigma Epsilon fraternity. The all-school trophy was awarded to the team compiling the most points in intramural competition.

Lonnie Thompson, a Tau Kappa Epsilon fraternity member, won the free throw title making 24 out of 25 foul shots. The NMSU Faculty team won the basketball championship, 47-39, defeating the All-Stars.

In the tug-of-war competition, the light weight winners were the Aggies, and the heavy weight victors were the Aztecs.

Tein-Ging Wang took three honors in table tennis. Doug Gehelein won the all-school trophy for singles while Kurt Marin and Tom Ping won the doubles contest. Sam Khamsopha took the independent singles school trophy in badminton and teamed up with Y. Ninsombom for all-school doubles. The doubles all-school trophy went to Bob Gorzynski and Jim Evans.

## Seaman Wins Marathon Run In Spring Track

The four-and-one-half mile spring marathon run went to Lowell Seaman with a 25:43 clocking. Phi Sigma Epsilon fraternity came in first in the track and field meet held in April. BBWC won the 880 relay while Phi Sigma Epsilon captured the coed relay and the Plymouth Rocks topped the 440 hurdle relay.

Al Herrman won top place in the 100-yard dash and the long jump. Tom Paushe was first in the high jump and Dan Miller first in shotput competition. Rick Daniels in the 220, Kutmas in the 440, Selby in the 880, and Darrell Fetneau in the mile run all placed first. Billy Tartan placed first in the 120 yard low hurdles.

Bob Lewis won the singles all-school trophy in horseshoes while Tom Jordan and John Scripsick were winners of the all-school trophy for doubles.

# Men's Intramurals Provide Competition

The Sig Tau Hammerheads defeated the Phi Sig Masters in the fleetball championship game 33 to 24. The Phi Lambda Chi Aztecs outpulled the Sig Tau Hammerheads in the fall tug-of-war in two straight pulls in 1:17 and 1:16 in the heavy-weight division. The Masters took only two tugs to up-end the TKE Knights. Bob Logan covered the 1.7 mile Turkey Day cross country run in 8:35 to capture winning honors. The PSE Masters swept the all-sports title in volleyball but were overwhelmed by the powerful Iranians for the all-school trophy in three games 15-9, 15-2, 15-11.

The Plymouth Rocks topped the team standings in intramural wrestling. The Sig Taus were 5 points behind with the Phi Sigs and TKE's placing third and fourth respectively. Individual winners included: Terry May (128), Tony Whitaker (134), John Ligouri (142), Steve Rogers (150), Dan Lange (158), Steve Grenier (167), Ron Ven Horst (177), Dennis

# Women's Participation in Athletics Increases

Women's participation in sports have increased in all areas as they began to compete on a collegiate level more actively than before.

Last spring the extramural tennis team began sports competition with a new coach and with only one team returnee.

In their opener at Quincy, Kathy Hermesen and Vicki Gilliatt brought home the only victory, in doubles competition, as they were nudged out in three single matches and two other double contests.

Kathy Hermesen was victorious three times at a Central Tournament before being ousted 8-6 in the semi-finals. Kathy Taylor and Vicki Gilliatt chalked up two wins before they bowed out.

In doubles, the Hermesen-Gilliatt duet beat Central Missouri State and Bolinger then lost to the University of Missouri. At State competition, Kathy Hermesen made it all

the way to the finals but dropped a close 4-6, 3-6 verdict to her opponent. The Gilliatt and Taylor duo were knocked off in the semi-finals as was the doubles team.

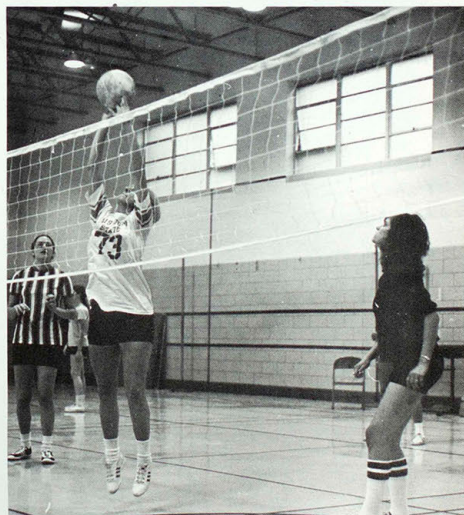

The softball squad had to battle the weather and conflicts in a shortened schedule. They did play Southwest but came out on the short end. Against Southeast, rain halted the game early and forced cancellation.

The women's track team met Northwest at Maryville and scored five points—three in high jump, one in 880 relay and one in the shotput. At state competition they garnered twelve points in a meet where all but one event had new records set.

Intramural softball was composed of 22 teams in a double elimination tournament. The EXIGS took the title with a forfeit win over Flynn's Flyers. Mary Flynn competed at the state golf tourney placing fourth.

WOMEN TENNIS TEAM: (front row) Kathy Taylor, Kathy Hermesen. (back row) Vicki Gilliatt, Diane Huesing, Coach Mary Farwell.

# 'A' Squad Has Perfect Nontourney Season

The women's extramural basketball team had a perfect season in nontournament action. The "A" squad, led by the scoring of Jo Beth Gardine and Brenda Winklemam, rolled over Quincy College and Meramec Community College twice, Lindenwood College, Southeast Missouri State, Central Iowa College, Central Methodist and the University of Missouri (Columbia). The team placed third at the Graceland tournament. Central Missouri State and Northwest Missouri State handed NMSU defeats in the state tournament battle, and the team finished fourth. The "B" team tallied a 7-1 mark with Leann Paulsen and Pam McVay leading the scoring.

Strength of the competition prevented the field hockey team from placing during season play. A fifth place finish was registered in state competition.

Volleyball season was shortened due to schedule conflicts. The "A" squad defeated Quincy College while the "B" team dropped its contest. At the tournament at Cottey College the volleyball squad finished sixth.

Then sit together  
in the grass  
hold hands  
where Joe Baldwin  
looks on Kirk Memorial  
a glint of night's stars  
in his eyes.

More wise  
to talk and smile  
backtracking lost years,  
more surely now  
we grow.

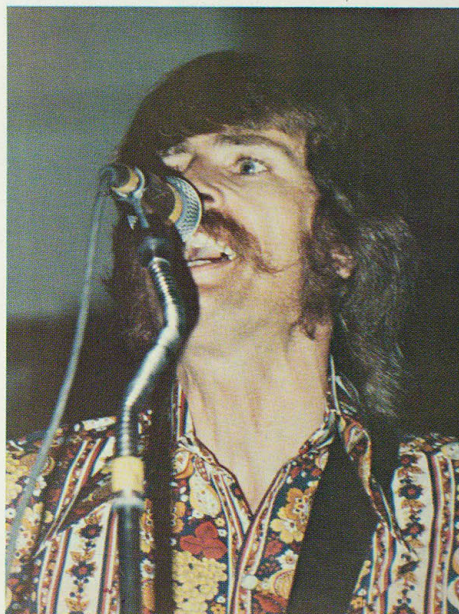

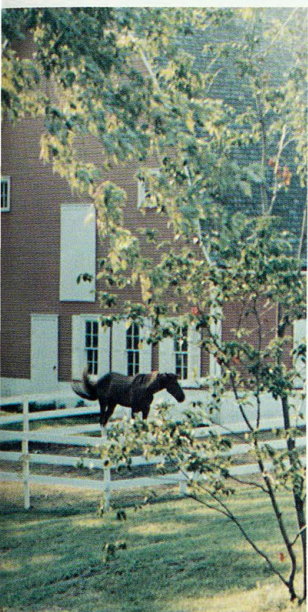

Something blows the air  
on campus  
a breath of living  
a spirit of change  
it is in us.

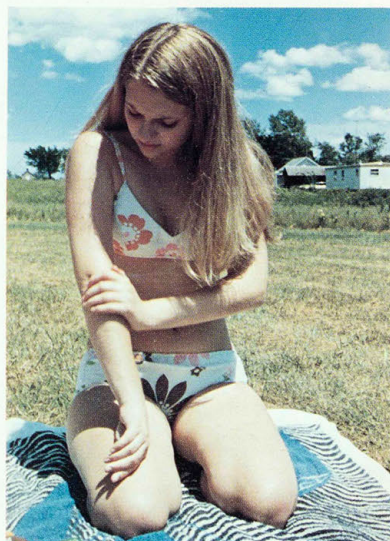

Last pages  
last few lines  
an end staring bleakly—  
but necessary for all beginnings.

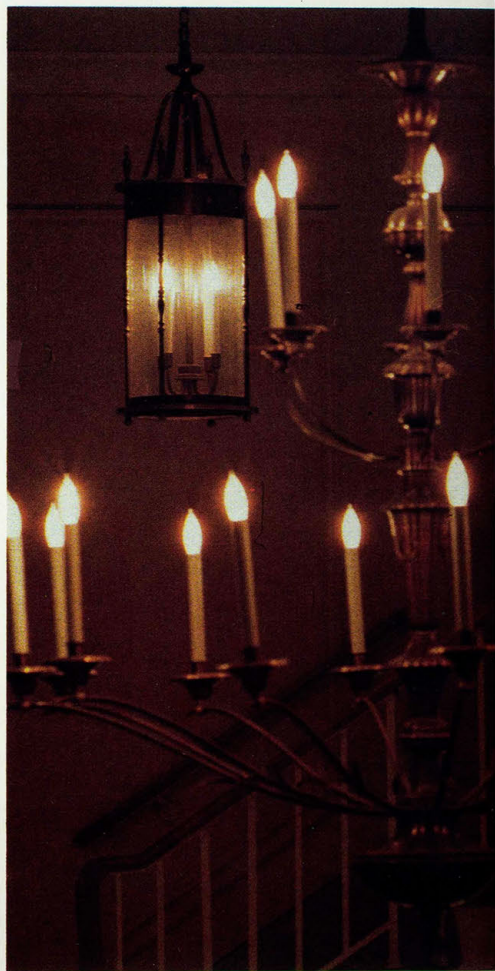

Much is in these few pages  
that long ago was erased  
and much  
stands forever.

All the future  
holds such things  
that I alone  
can never change  
but must help direct.

James F. Jae, Jr.

Colonel Robert McKinney

## In Memoriam . . . .

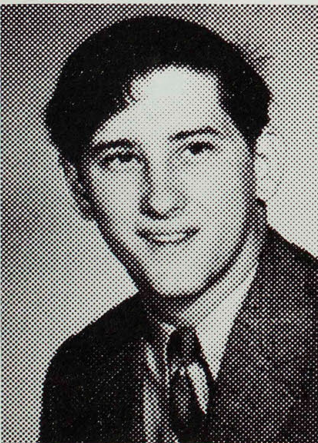

James F. Jae, Jr.'s unexpected death on March 29, 1973, closed a life but did not end it. His three years as a regent were characterized by swift action to improve and to expand student services. His instrumental role in responding to the needs of the university community will be remembered further when student services now in the planning stages become a reality in the near future. He is survived by his wife, Maizie, and three children, Jeane, James and Sherrel. James and Sherrel are NMSU sophomores.

Colonel Robert L. McKinney, assistant to the president, died unexpectedly January 29 while on official University business at Jefferson City. Colonel McKinney had been a University employee since 1938 and was a 1936 graduate. He had chaired the Echo Board for the last 8 years. He is survived by his wife, Frances, international student advisor at NMSU and two sons, Robert L., Jr., an NMSU junior, and T. Hal. A memorial scholarship has been established with contributions from students, faculty and friends.

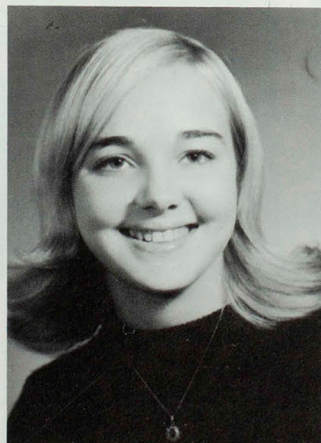

In November while returning to NMSU from Thanksgiving vacation, Ted Appel and Morry Hawkins were involved in a fatal traffic accident. A memorial service was held on campus and their fraternity, Phi Kappa Theta, attended the funeral services at St. Louis.

Marilyn Blackaby, a freshman from Stoutsville, was killed in a traffic accident while returning to Stoutsville after spring semester, 1972, ended. Her sorority, Delta Zeta, has established an outstanding active member award in her memory.

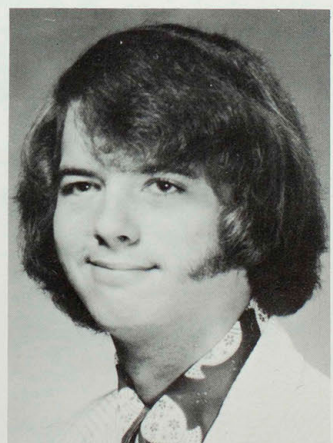

The 1973 ECHO is dedicated to the memory of Ted Appel, Marilyn Blackaby, Morry Hawkins, James F. Jae, Jr. and Colonel Robert McKinney.

## Roger 'Washes His Hands' of 1973 Echo

**Roger D. Hoover**

I Know that  
You Believe you  
Understand what  
You Think I said,  
But,  
I am not Sure  
you Realize that  
what you heard  
is not  
what I meant.
